

Attendance Understanding

2020-2021

Our program consists of 30 (1hr & 15 min.) sessions beginning in September and ending in May. If for some reason your child misses a Sunday session, please notify Ms. Rullo either by email at holytrinityfaithformation@verizon.net or by telephone 718-767-0095 and leave a message. Any child with more than three absences will need to work out a suitable make-up arrangement with your child's catechist.

Possible solutions include:

1. Complete an at home lesson received from your child's catechist (either online or on paper).
2. Attend an extra session to be arranged at the parish.
3. Parents may suggest an alternative solution.

Multiple absences without fulfilled make-up alternatives will require a solution before a child can move onto the next level of the Parish Religious Education Program. A child will not be promoted to the next grade level if there has not been a good faith effort on the part of the parent to work with Ms. Rullo on any prolonged or multiple absence issues
